Terms & Conditions

All information / spelling / numbers / ideas supplied must be clear & 100% accurate. GPD takes no responsibility for incorrect information. All logos and files are to be supplied in either .eps or .ai format .jpg files are not acceptable. A setup fee will be charged for any logo recreation and may affect the turn around time. GPD takes no responsibility for the incorrect application of sticker kits, incorrect use or incorrect storage of any supplied products. All GPD sticker kits have been tested and fit the plastics satisfactorily GPD does not run accounts and payment is to be paid in full amount before the dispatch of the kit. All GPD products carry the GPD branding on the sticker kit. GPD is the sole owner of all designs, artwork and graphics produced by GPD and reserves all rights. You do not acquire ownership to any designs produced by GPD. The viewing of the designs displayed on this site is for viewing purposes only. No authority is given to any persons or business wishing to reproduce or duplicate any part of any design, templates or styles through any other party in any way shape or form. Design fees are charged based on labor only and do not offer the customer any copyright to that design. Reproduction of any designs, artwork, graphics or templates produced by GPD will not be tolerated unless produced through GPD. Such conduct will result in direct breach of copy right protection and will be contested by law. Once the sticker kit is fitted to the plastics it is requested the customer photograph the kart by itself so it can later be added to the GPD gallery. Prices listed above are retail prices and do not include postage which varies depending on location.
